

Rec'd from Jeff Hess 12/6

PCB 79-46

Note:

120479

Conversation w/ K. Hollings on 120479 indicates  
that Liquid Industrial Waste Richmond, VA could  
be a potential Hazardous Waste Dump Site.

Facility accepts industrial wastes of unknown  
composition and incinerates them. Housekeeping  
poor, no complete sites around storage areas.  
Completeness of incineration unknown.
